Footsteps on the stairs—the quick, eager footsteps of students intent on the pursuit of academic excellence; the strong, vigorous footsteps of Libbey athletes; the quiet, deliberate footsteps of hundreds of teachers with a single purpose—all these, and more, have left their marks on the stairways of Libbey since her doors were opened forty years ago.

During these forty years thousands of students have progressed, step by step, on the stairway of learning. For freshmen, the first steps were knowledge and friendship; for sophomores, they were knowledge, friendship, and loyalty to Libbey; for the juniors, they were knowledge, friendship, loyalty, and initiative; and for the seniors, they were all these things, plus maturity and judgment.

Today's awed freshmen, confident sophomores, questioning juniors and mature seniors climb these stairways with the same goals in mind as did those first Libbey students in 1923. But these challenging times bring fresh realization that another, steeper stairway must be scaled before this year's graduates can make their full contributions to society.

In this *Edelian* of 1963, the Senior Class is happy to present pictorially the stairways of Libbey, not only as interesting architectural structures but also as symbols of important steps in the process of learning.

Mrs. Hazel D. Flatz

Mrs. Hazel Flatz, a member of Libbey's faculty for thirty-eight years and chairman of the Business Education Department for twenty years, will be sadly missed by both the members of the faculty and the students of Libbey. Possessing exceptional organizational ability, Mrs. Flatz has helped her department to become one of the strongest in the city. Students from this department have been eagerly sought by industry in Toledo and surrounding areas, and many have been encouraged to further their education in this field.

A Libbey service club, the Future Business Leaders of America, has had a remarkable growth and has received many honors, both locally and nationally, under her leadership. Members of her department have had many reasons to feel her warmth and loyalty, and they have, in turn, freely given her their cooperation and respect. Always willing to take on extra responsibilities, she served for many years as chairman of the committee to plan the annual teachers' Christmas dinner, and she also handled the finances for the senior banquet.

In addition to her duties here, Mrs. Flatz has taught in Toledo night school for ten years, in Toledo summer school for thirteen years, and has been a cooperating teacher for the University of Toledo for almost twenty years. Many successful teachers, some of whom have returned to Libbey for full-time teaching, received their training in her classes.

Her travels have included points of interest in all states east of the Mississippi and in the provinces of Ontario and Quebec in Canada. She is a member of the Holy Trinity Lutheran Church, Triune Chapter of Order of Eastern Star, Alpha Delta Pi Alumni Club, Ohio Business Teachers, Ohio Education Association, the Schoolwomen's Club, and she is currently chairman of the auditing committee of the Toledo Teachers Association.

Her plans after retirement are indefinite at present, but they include the building of a new summer home in Leland, Michigan. Whatever her future holds, Mrs. Flatz's life, we feel sure, will continue to be active and productive.

*No bubble is so iridescent or floats longer than that blown by the successful teacher.*

## Dedication

Completing her fortieth year as a teacher at Libbey, Miss Virginia May has earned a place of honor in the 1963 *Edelstein* on this fortieth anniversary of Libbey High School. She began as a teacher of English but transferred later to the Oriental Department.

Her interests and study have been wide. While completing her studies for the M.A. degree in English at Columbia University, Miss May's attention was attracted to the counselling and guidance courses this university was pioneering. Later on, she enrolled in the Guidance Department and was the first Toledo teacher to receive a Master of Arts Degree in Counselling and Guidance at Columbia University.

Miss May next attended the Graduate School of the University of Michigan, specializing in Speech and Radio. She represented Libbey High School on The English Series of the Toledo School of the Air, speaking on the topic, "Common Stumbling Blocks in English."

As an extra-curricular activity, Miss May conducted after school educational tours in order to train her students for better citizenship, by giving them first hand information about some of our local institutions that are assisted by The United Appeal Fund. Among the many places the pupils visited were homes for the aged, children's homes, Toledo Day Nursery, and the Toledo Society for the Blind.

For the past twenty years, Miss May has directed the Junior Red Cross Society. The students annually made thousands of holiday tray favors for the Toledo Homes for the Aged, all the hospitals in Toledo, as well as for Veterans Hospitals throughout the country. All departments at Libbey cooperated in the projects. Libbey High School art was sent to countries throughout the world. Recreational chests were made and filled for our soldiers overseas. Hundreds of articles of costume jewelry were collected to cheer patients at Toledo State Hospital, and thousands of hand made flowers were made for the patients' annual spring dance. In the course of the years, Miss May and Libbey students filled over two thousand Junior Red Cross gift boxes for the needy children of the world.

Having traveled throughout the United States and Canada, Miss May hopes, in the future, to visit many other countries. She thinks that since God made such a marvelous world, we really

Miss May epitomizes the following motto of the Junior Red Cross:

## *Dedication*

Mr. Clinton F. Houser

Chip' Houser, as he is affectionately known, will not soon be forgotten by the many students who have been taught science and mathematics in his classes during the thirty-eight years he has been at Libbey. In no less degree will he be remembered as an unusually successful basketball and football coach. Last year he was honored for his contribution to sports in Toledo by a "Chip Houser Day."

After receiving the B.S. degree at Heidelberg University, Mr. Houser did graduate work at Ohio State University and the University of Illinois. Beginning his teaching career at Chillicothe High School, he not only taught chemistry and physics but also coached basketball and football. His basketball teams at Chillicothe reached state tournament play at Columbus twice in the four years he was there.

In Toledo his accomplishments have been many. He started golf and boxing in the Toledo high schools; he coached many highly successful football teams for Libbey, even champion teams. It was under his leadership that Libbey had their golden years; he officiated at football and basketball games for twelve years; he has served as chairman of the Mathematics Department at Libbey for seven years.

In his private life, Mr. Houser has had numerous interests. After retiring from active coaching, he operated an Evergreen Nursery for ten years. In later years he raised Springer Spaniel dogs for field trial events. As a member of the Men's Garden Club, he raised daffodils and participated in flower shows. More recent hobbies are playing the Hammond organ and competing in trap and skeet events. His travels have included most of the United States, parts of Mexico and Canada.

After retirement, among other things, Mr. Houser plans to take a trip up the Amazon and hopes to bring back live nacondas to his grandchildren.

"Man is so mad  
from from one day to the next."

Mr. Houser gives individual help

Although Mrs. Mary E. Houser has been with us seven years, the students and faculty have come to know and respect her. Under her influence, junior and senior students have widened their acquaintance with the English language and have gained a new insight into the intricacies of the English language.

Mrs. Houser received the B.A. degree from Denison University and began her teaching career at Frankfort, Ohio, after teaching at Chillicothe, Ohio. After her marriage to "Chip", she substituted in Toledo area schools while her children were young. When they were school age, she took them with her while she taught at Jones Franklin, a private school, now Maumee Valley Country Day School. Her children grown, Mrs. Houser returned to full time teaching in Toledo schools, teaching ten years in the English Department at Maumee and seven years at Libbey.

Teaching, housekeeping, and rearing three children do not prevent her participation in other activities. She is a member of Zion Methodist Church, Phi Beta Kappa, the American Association of University Women, and the Denison Women's Club. She has traveled throughout the United States, parts of Mexico and Canada.

Following her retirement, Mrs. Houser has maintained an active interest in the schools by serving on the Denison Board of Trustees. She also enjoys travel. Perhaps she may even help Mr. Houser with those

PHILO C. DUNSMORE  
Superintendent

For the last forty years students have been graduated from Libbey High School. These have achieved distinction in many activities. Thousands are better citizens of Toledo and other communities because of Libbey.

I congratulate you seniors of Libbey High School who have had the courage and foresight to continue your work to graduation. There never was a time when a high school certificate meant more than it does today. In years to come it will be still more important. Since this is a memory book you may read these lines many years from today. Each time that you do I predict that you will express the deep appreciation that you had an opportunity to attend Libbey High School and that your parents made it possible for you to complete your work in Libbey.

Philo C. Dunsmore

### Our

Mr. [Name], Mr. [Name], Mr. [Name], Mr. [Name], Mr. [Name]

This year we have had many reorganization problems, both because of the change from the extended schedule to the normal school day and because of the loss of many students to the new school. To the entire student body and the faculty: Thank you for your wholehearted cooperation in making these necessary adjustments. May we now forge ahead with renewed enthusiasm! To the seniors who have reached the summit of this first stairway to success: My sincere best wishes go with you as you meet the new table challenges of a promising future. Your footsteps have left their mark on Libbey; we hope that we at Libbey have had some part in implanting in each of you the desire for ever increasing knowledge.

## In Memoriam

The memory of William Boone's warm personality and cheerful smile lingers in the hearts of his many friends, teachers, and associates. His ability to make and keep friends accounted for his ever-widening circle of acquaintances.

To the family and friends of William, we express our deepest sympathy.

*Death's but one more tomorrow*  
 — Elias Weir Mitchell

The untimely death of Kenneth Matney brought sadness to all who knew him, for his friendly personality had won him many friends. Kenneth was active in Western Avenue Methodist Church and belonged to its youth group.

Our condolences are extended to Kenneth's friends and family.

Mammals are the most common species  
 in the park, with 100 species of mammals  
 recorded. Birds are the next most common

 are the most diverse group, with over 1,000

## National

The purpose of the National Honor Society is to improve the scholarship of Libbey students. To carry out this aim, in their Scholarship Program, they invited speakers from the University of Toledo who were former members of National Honor at Libbey. The National Honor Society has made every effort to be worthy of leadership and to render service when needed. Miss Hererson, with her boundless energy and stimulating personality, brought to the society a new spirit of enthusiasm.

The Libbey Chapter inducted and installed the senior members of the National Honor Society at another High School in February and sponsored the Junior-Senior Quiz Show.

## Edelian

The Edelian Class began the year with a new advisor Mrs. Jean Hunsaker, and the able assistance of the two co-advisors, Mr. Rustie and Mr. Matten.

In October Mrs. Hunsaker and five members of the *Edelian* staff attended a yearbook workshop sponsored by the School of Journalism at Bowling Green State University. Covers, layouts, themes, and the newest styles in yearbooks, were discussed by representatives of Northwestern Ohio high schools.

Getting the *Edelian* ready for the press has kept the staff busy. Write-ups, layouts, typing, name checking, solicitation for advertisements, picture-taking, and the effort to keep the theme a secret, all contributed to a very exciting year.

The *Edelian* staff hopes that these pages will recall many pleasant memories.

## Crystal

Upon entering Room 215, the official headquarters of the *Crystal* staff, one may find nine girls writing, typing, interviewing, correcting, pasting, cutting, and questioning Miss Marian Grover, the *Crystal* adviser all at once.

These nine compose both the literary and business staffs for the school paper. They are eternally busy making plans in an effort to meet the ever approaching deadlines and scheming new ways to sell their product.

Although limited in size, the staff has had a rewarding year. The *Crystal* received a first place rating in both the Northwestern Ohio District Journalism Association and the Columbia Scholastic Press Association press competitions.

In January, four members of the staff appeared on WSPD TV's 'Under Twenty-One' program to discuss some of the problems of publishing the school newspaper. The program received commendation from the Toledo Board of Education.

## Tri-Lit Society

TRILIT OFFICERS  
 Jane Stover, treas. Linda Metzke, C.

This year the three literary societies, Periclean, Plutarchian and Zoroastrian, formed the Tri-Lit Society. Two new members, Miss Marian Green, kept the meetings going. The society held several social and service activities. Social Involvement included a spaghetti supper, a Mother's Day Luncheon, and a Tri-Lit Banquet and Dance.

The 'Lit' members carried on the tradition of service by serving a Thanksgiving food basket to a needy family and visiting many school activities.

The interest was maintained by skits, a visit to the Village, a Bowsher literary meeting, a city wide poetry night, and a city wide theater night which they Tri-Lit.

A Washington's birthday cherry pie sale, the sale of senior nametags, the sale of the yearbook, and the Sadie Hawkins Dance provided the finances for the year's activities.

## Future Teachers of America

The Future Teachers of America, with their advisor Mrs. Genevieve Wilcox, carried out a recruitment program for students interested in teaching. A speaker, Mr. Charles Robinson, a Libbey teacher, addressed the group on their prospective careers.

In May a pot luck supper was the last social event of the club's year.

## *Forum Literary Society*

Maan Wagner, Chaplain, Dick Hayden, V. Pres., Dave Holmes, Secy., Roy Eulberg, Pres.

Although Forum was late in getting organized this year, the club gathered momentum as the year progressed. For money-making projects the members sold Christmas paper and cards; held a bake sale in December; and sponsored the annual Forum Spaghetti Supper in February.

Mr. James Hillis and Mr. Gary Duhaime were co-advisors of the society. The year ended with a spring Br. Lit. contest.

Mr. David Gilmore, the Q D advisor, worked to carry out the purpose of his club: To promote leadership among its members. Among the club's service projects was the giving of a basket to a needy family at Christmas. To help build school spirit and their treasury, the Q D's sold hats for the Central basketball game.

The year was successfully ended with a Bi-Lit dance and a spring roast.

## Orchestra

Tune up was the motto of the orchestra this year. Their purpose, "to play and enjoy good music," was carried out in various ways. They participated in the All City Orchestra's Spring Concert, gave a Christmas program, and took part in the Spring Concert with the band to finish the year on a melodious note.

## Pep Band

The rousing music heard by Libbey students at all of the home basketball games was supplied by the Libbey Pep Band. The band was organized by the musicians themselves under the direction of Clifton Hazen. Members practiced their skills and were prepared for the games. Many players in the Pep Band have become members of the Stage Band.

Under the enthusiastic leadership of Mrs. Harriet Polmaier and Mrs. Jean Pritchard, the Senior Y Teens carried out their aim of service to Libbey. Furthering this purpose, the girls contributed food for a Christmas basket for a needy family, served at the annual football banquet honor of the senior football players and coaches, manned the ticket booth at the World Fellowship Carnival, and sponsored a queen candidate for the Y Teen Formal.

Social activities included an ice skating party at the Sport Arena and a Co Ed Fun Night.

Money for activities was obtained from dues, the sale of mums before the Thanksgiving Day game and a successful bake sale.

Again this year the Junior Y Teens gave generously of their time in helping others. They made up Christmas and Thanksgiving food baskets for needy families; helped with the Saturday activities at the downtown Y.W.C.A.; and participated in many school activities.

The Y Teens also had an ice-skating party, an area wide Y Teen Formal and a Co-ed Fun Night.

Furthering the purpose of service, the Hi Y gave its  
 most to the school and community. Displaying their  
 talents, the Hi Y members were an open

A new addition to the service clubs at Libbey this year is the Libbey Teen Club. Mrs. Gloria Lindeman directed the social and service functions throughout the year. To be of service to their community, the girls gave a party for the Lucas County Orphanage and made tray favors for Huenefeldt Rest Home. To round out their year socially they gave a picnic for the Junior and Senior Y-Teens and sponsored a splash party.

## Future Business Leaders of America

If anyone has asked you to buy something this year, it's fairly certain you've met a member of the FBLA. Carrying out their motto, "Actions speak louder than words," the FBLA has engaged in many service, social, and money-making projects. Mrs. Hazel Flatz, with the help of all the teachers in the business department, shared the burden and the joy of advising the group.

Throughout the years, FBLA has brought honors to Libbey, and this year was no exception. Members of the club who represented Libbey at the FBLA State Convention ranked high in the various competitions, and Karen Korwhat was elected Northwest region vice president.

FBLA plans to have representatives at the national convention at Dallas to be held after the close of the school year.

## Future Nurses of America

The purpose of FNA is "to learn to be of service to others and to stimulate interest in nursing as a profession. This purpose has been well carried out during this year. Several speakers including the advisor, Mrs. Tanner, have spoken to the group on various careers in medicine.

Some of the social events during the year were the induction tea; the mother and daughter pot-luck, and the banquet at the end of the year.

A scholarship was awarded to a senior girl to further her study in the field of nursing.

The Alchemist Society, a recently re-activated study club at Libbey, hopes to stimulate the interest of its members in scientific careers. Among their activities to acquaint the more aspiring students with vocations in the field was an address by Mr. Lou Thomas, a chemical engineer with the Sun Oil Company, on the subject of 'Petro Chemicals'.

Mr. Charles Baechler and Mr. Anthony Pappas are co-advisors of the society.

# Utamara Art Society

Have brush - will paint" was the unofficial slogan of the Utamara Art Society this year. Mr. Thomas Hatton, through his enthusiasm, generated a greater interest in art.

A Christmas party in December, an art show in May, and a profitable bake sale were on the list of memorable activities for the year.

## Junior Classical League

In promoting an interest in the classics, the fine arts, and ancient history the Junior Classical League has had a year of work and study.

The annual Roman banquet was held in February, there was a Latin Day at the Art Museum, and some of the members attended the Junior Classical League Convention in Columbus, Ohio.

"Strike" was probably heard several times at the bowling party, which was held at Highland Lanes. The annual picnic concluded an unforgettable year. Mr. Dillon is to be commended for his diligent work with the JCL.

## LeCercle Francais

Miss Bernice Krueger reorganized the French Club this year and kept the new members busy with interesting projects.

Before their Christmas party, members of the club studied French Christmas and New Year's customs and gave a report on them at the party. They also

sung French Christmas carols. After visiting the Palace of Versailles exhibit at the Toledo Art Museum, some of the French enthusiasts gave reports on their impressions of the paintings. Many of the members responded with French studies. The Lord's Prayer, a few of the Psalms and the Beatitudes were translated into French and given as choral reading.

Pins showing the Eiffel Tower were selected as the emblem of the club.

## Der Deutsche Verein

Members of the German club fulfilled the club's purpose this year by learning to understand better the German people and their culture. Traditional folk songs were learned, and members learned more about the cities and the beautiful geographical characteristics of Germany through oral reports and film strips. A trip to the Toledo Museum of Art strengthened what they had learned about some of Germany's greatest artists.

Aside from their study sessions, members also served German Kaffee Kuchen to the teachers at the January faculty meeting. A Christmas party was given after the group sang Christmas carols at Toledo State Hospital.

## La Alianza Espanola

Mrs. Frances Schering, advisor of the Spanish Club, planned the club's activities to give the members a cultural and social background in Spanish. A trip to the movie *El Cid*, a Christmas party, and a spring banquet featuring Spanish dishes were a few of their activities. A bake sale was sponsored by the club and everyone enjoyed their pastries "con mucho gusto."

## Libbey Leaders

"Be a good sport — win or lose" was the motto carried out by the Libbey Leaders Club this year.

The group consists of a mix-up of sophomore, junior, and senior students who have become attitudes in skills and play.

Led by Mrs. Gloria Lindeman and Mrs. Harriet Billmaier, the club had a course of study of rules and regulations of games played season wise.

Some of the activities were a Christmas party and induction in December, a Volleyball Playday in March, an Easter food basket for a needy family, and a roast in May.

## What a wonderful Open World

Have you noticed schools like this on your travels?  
Probably, because new buildings are springing up everywhere.  
They are beautiful and functional structures with large  
glass areas to create an "open-world" atmosphere to  
eliminate the feeling of being boxed in.

Wherever you live, work, shop  
or travel, you'll find L O F  
Glass making it more enjoy-  
able. In homes, motels, schools  
and stores. In offices and fac-  
tories. In hospitals and church-  
es. In cars, buses, trains and  
planes.

There's an L O F Glass that  
insulates windows. It's called  
*Thermopane*® insulating glass.  
Another subdues sun heat and  
glare. L O F Glass that makes  
automobiles safer. L O F Glass  
to do a thousand things.

And when anyone needs glass,  
there's an authority on it  
nearby—your local independ-  
ent L O F Glass Distributor  
or Dealer. His name is in the  
telephone book Yellow Pages  
under "Glass". Call him.

Laboratories, shops and studyrooms  
are separated from twin classroom  
buildings by a broad, central court.

You Can't Go Wrong...

Nobody should ever consider his education complete. You can't go wrong by getting as much schooling as possible. So strongly does Toledo Edison feel about this that we finance three scholarships a year at the University of Toledo.

Lots of college graduates find Toledo Edison a good place to work. Investor-owned electric companies offer interesting careers in many fields. You might want to look into this.
